Pegasus Infracon started its journey with a farmhouse project at Bhavnagar. The directors have cumulative experience of over 15 years in the field of residential building construction project management, and non-agriculture land (development ready land parcels).

We have recently converged on Dholera SIR, as you may know, Dholera SIR is a core project of DMIC (Delhi-Mumbai Industrial Corridor). Dholera will be developed as an integrate greenfield smart city, a first in India, and is a project which is very close to Hon. Prime Minister & former Chief Minister of Gujarat, Shri Narendra Modi, as it was his vision to develop Dholera into a world class city.

Our current offerings of BREEZ EARTH series of projects are our highly ambitious and focused on meeting aspirations and investment needs of our customer, enhanced with various amenities.
